

your HOSPITAL

Welcome to Centerpoint Medical Center. Our campus includes the medical center itself and a medical office building/outpatient services center connected to the hospital (on the west side of the hospital).

Centerpoint features 221 private rooms, state-of-the-art equipment and technology, and some of the latest clinical services available to patients. Along with our high-tech services, we also remain focused on providing compassionate care and the best possible customer service for our patients. In addition, we offer numerous features for visitors, including sleeper chairs in patient rooms, comfortable waiting areas, wireless internet access throughout the facility, and more.

OUR MISSION:

Above all else, we are committed to the care and improvement of human life. We strive to deliver high quality, compassionate patient care by fostering an environment of engaged employees and physicians committed to service excellence.

OUR VISION:

To perform our mission at the highest level, we commit to constantly strive to be regarded as the “provider of choice,” “employer of choice” and “preferred community partner.”

OUR VALUES:

In pursuit of our mission, we believe the following value statements are essential and timeless:

- We recognize and affirm the unique and intrinsic worth of each individual.
- We treat all those we serve with compassion and kindness.
- We act with absolute honesty, integrity and fairness in the way we conduct our business and the way we live our lives.
- We trust our colleagues as valuable members of our healthcare team and pledge to treat one another with loyalty, respect and dignity.
